PG&E Officers and Directors:

As we continue to fortify our leadership team to better meet the needs of our customers, employees and shareholders, I am pleased to share an important announcement regarding the Corporate Affairs senior leadership team.

Ed Bedwell has been elected Vice President, Government Relations, at Pacific Gas and Electric Company, effective July 1, 2010, reporting to me. With this promotion, Ed will oversee all government relations efforts for PG&E at the city, county and state levels. He brings more than two decades of experience helping the company advance federal, state and local policies on behalf of the company and its customers.

The press release announcing Ed's new position is attached for your reference. I hope you will join me in congratulating Ed on this well-deserved promotion.

Greg
