I spoke to Commissioner Simon about PG&E's participation on the panel for Directed Brokerage and Research at UMAP/NARUC, on July 18, 2010, in Sacramento. The Commissioner requested Peter Corippo [sp] ... please confirm his availability or whomever PG&E has designated. We would like to announce the California Utilities' participation at our conference call on Wednesday, June 23rd.

I appreciate your efforts.

Best, Douglas
