I just pressed "send" without finishing the note below. Here it is again.

Thanks for meeting with Jane, Amrit and me today.

PG&E is prepared to put a number on the table early next week, assuming  
TURN can provide at a high level an indication of where it stands on its current  
position (i.e., revenue requirement number) so that we can factor in that  
information into our internal discussions related to an offer we would make next  
Monday or Tuesday.

Proposed next steps.

TURN provides a high level number (no need for details) of its position by the  
end of this week.

PG&E comes to a meeting on Monday or Tuesday at the CPUC with an offer.

Laura, I'd appreciate your getting a room if DRA, TURN and Aglet agree to meet.

Thanks
