Subject: DFEEQP -- Exciting Developments

DEMAND FORECAST ENERGY EFFICIENCY QUANTIFICATION PROJECT WORKING GROUP

Hi DFEEQP Working Group,

A couple of important developments:

- ***The Incremental-Uncommitted Energy Efficiency report is complete!***

The FINAL: *"Incremental Impact of Energy Efficiency Policy Initiatives Relative to the 2009 Integrated Energy Policy Report Adopted Demand Forecast"* plus Technical Appendix and Tables has been posted by Energy Commission at the following link:

<http://www.energy.ca.gov/2010publications/CEC-200-2010-001/index.html>

Many congratulations on a job well done!

- ***DFEEQP is getting a makeover.***

The Demand Forecast Energy Efficiency Quantification Project as you've all come to know it will be closing down, and re-opening under a NEW name with a new acronym and a new set of activities designed especially for 2010-2011.

Special features include:

- Preparation for the 2010 *Integrated Energy Policy Report (IEPR) Update* and 2011 *California Energy Demand forecast* for the 2011 IEPR.
- Trust and Transparency processes for *California Energy Demand* forecasts (based on the guidelines for increasing transparency of demand forecasts that the DFEEQP Working Group reviewed last April)
- Continued attention to IOU energy efficiency
- *Increased* attention to POU energy efficiency
- Natural gas energy efficiency
- Distributed generation
- Regularly scheduled meetings
- New fancy name (to be unveiled soon)

- New fancy acronym
- Same great basic working group.

Stay tuned - our first meeting of the season will be announced soon - see you in July!
