Subject: ED EEP staffing matrix

Hi
All,

For your reference,
attached please find a staffing matrix for areas covered by my section, Energy
Efficiency Planning (EEP). There have been some changes since I came on
board. Also, Ayat Osman is "on loan" from Zeny's EM&V section to cover
emerging technologies (ET) and codes & standards
(C&S)

Best,

Simon Eilif Baker

Supervisor, Energy Efficiency
Planning

Climate Strategies Branch

California Public Utilities Commission -
Energy Division
