Thanks! It's important to remember life does exist outside of changing  
diapers and cooing.

I know, even the capacity market case can't compete with a new baby. :). But  
I wanted you to know you're included!

Mike, Elizabeth, Aram,

Some of the PG&E folks (and possibly a couple of former PG&E folks who have since left the company) who worked on the long term RA proceeding over the last few years are getting together this coming Tuesday after work to celebrate the mostly happy ending -- for now -- of this proceeding. You are welcome to join us, if you don't mind being seen having a beer with us. :) Harrington's, Tuesday 6/8, 5-7 p.m. Love to see you there!

Trina
