I'm writing on behalf of Public Utilities Commissioner Nancy Ryan to ask if you are available in the first half of July to come talk to us for about an hour. We are very eager to hear about PG&E's Smart Meter outreach efforts: the who, what, where, when, and why of it all. We are looking forward to hearing from PG&E. Please don't hesitate to call or email with questions and please let me know if you think I should direct my request to someone else.
