No worries, I hope you are better soon. Good day to stay home, with this muggy rain!

Unfortunately, I'm going to have to reschedule. I'm in the middle of a health issue, which I'll tell you more about when I see you. I've been out most of this week. I'm hoping to be back at work next week, but I'll let you know. Sorry about today. We'll do it soon.
