**Subject:**

To all parties: The Joint Parties of PG&E, RCEC, CURE, DRA, & TURN have filed and served a Motion to Withdraw Without Prejudice Request For Cost Allocation as Prescribed from the Joint Petition for Modification. I grant the motion and intend to issue a formal ruling next week, along with rulings on other pending motions.

Additionally, at the May 17, 2010 pre-hearing conference on the pending petitions for modification, Alliance for Retail Energy Markets and Womens Energy Matters requested and were granted party status for purposes of the cost allocation issue. Similarly, Marin Energy Authority recently filed a motion for party status in which it also sought to participate on the cost allocation issue. As this issue has been removed from the Joint Petition, it is my intention to also include in the formal ruling a reversal of my prior grant of party status to AReM and WEM, and to deny the motion by Marin Energy Authority, without prejudice to future requests.

If you have any questions, please feel free to contact me.
