Subject: PG&E Gas & Electric Tour - 9:00 AM July 13 -- Confirming Date and time

Hello Comr. Simon,
Juliane and Mel,

I just got off the phone with Bill Stock and other managers at PG&E to discuss a tour of PG&E's energy trading floors--there will be a focus on both the gas and electric sides during the tour.

PG&E
confirmed this tour for the morning of Tues. July 13 at 9 AM. It will be a very informative and interesting morning. PG&E will provide a draft agenda for our review.

Thank you very

much,

Karen
