Too bad, but July will be great up in Scotland. The weather's been excellent since I got here; sunny and warm. I was in London last week, and had to put sunscreen on to go out to dinner!

Paul,
I was hoping this would work, but I had my dates wrong when we last spoke. I thought I was leaving on June 16, but it turns out I'm leaving on July 16.
Oh, well...I'm glad you're getting away from the madness for a while. See you in a few weeks.
Tom

Tom, I'll be in London again from tomorrow through the 19th (except next weekend) in case there's any overlap and you feel like a coffee. I promise no talking about work!
