The Federal Family Educational Rights and Privacy Act (FERPA) prohibits the release of this record or disclosure of its contents to any third party without the written consent of the student.

Authentication of the Transcript

A transcript is official when it bears the signature of the Registrar and the University seal in black ink, is obtained directly from the Office of the Registrar at Michigan State University, and is received by the person for whom it is intended.

Course Numbering System

001-099 Non-Credit and Institute of Agricultural
Technology Courses
100-299 Undergraduate Courses
300-499 Advanced Undergraduate Courses
500-699 Graduate-Professional Courses
800-899 Graduate Courses
900-999 Advanced Graduate Courses

Credits

Effective Fall 1992 courses at Michigan State University are given on a semester basis. One credit normally requires three hours of effort a week in class, laboratory, and preparation. To convert to quarter credits, the semester credits should be multiplied by three halves (3/2).

Prior to Fall 1992 courses at Michigan State University were given on a quarter basis.

Courses Repeated

A course repeated is indicated by an S (Superseded) in the column headed SR. The course that repeated a superseded course is indicated by an R (Repeat) in the SR column. The cumulative totals and the grade-point average are adjusted to reflect the last grade.

Honors

An "H" in the Honors column indicates an honors course, honors section of a course, or the student took a non-honors course as honors. The latter indicates additional work was completed beyond normal requirements.

Grade-Point Averages

Grade points for each course are determined by multiplying the numerical grade by the number of credits for the course. Credits for courses in which P, I, N, DF, W, ET, CP, CR, NC, U, or V have been received do not affect the grade-point average.

A grade-point average of 2.00 is required for graduation from the University for a bachelor's degree; 3.00 for graduate degrees.

The cumulative grade-point average appears after each term.

Current Grading System

THE NUMERICAL SYSTEM: 4.0, 3.5, 3.0, 2.5, 2.0, 1.5, 1.0, 0.0 – Credit is awarded for the following minimum levels—1.0 for undergraduate students and 2.0 for graduate students.

THE CREDIT-NO CREDIT SYSTEM: CR-CREDIT-Undergraduates must perform at or above the 2.0 level. Graduates must perform at or about the 3.0 level. NC-NO CREDIT-Performance was below 2.0 level for undergraduates and below 3.0 level for graduates.

THE PASS-NO GRADE SYSTEM: P-PASS – Credit was granted and the student achieved a level of performance judged to be satisfactory by the instructor. N-NO GRADE – No credit was granted and the student did not achieve a level of performance judged satisfactory by the instructor.

OTHER SYMBOLS USED:

| | |
|--------------|-----------------------|
| W-WITHDREW | DF-DEFERRED |
| V-VISITOR | ET-EXTENSION |
| U-UNFINISHED | NGR-NO GRADE REPORTED |
| I-INCOMPLETE | CP-CONDITIONAL PASS |

A transcript may temporarily reflect "LDR" as a grade for a course which was dropped late and to which a final grade has not yet been assigned.

Past Grading Systems

Prior to Fall 1988: N-NO GRADE indicated the student officially dropped the course after the middle of the term and was doing passing work, or there was no basis for a grade, or the student did not pass a course approved for grading on a P-N basis.

Fall 1968 to Winter 1972: The grades of 4.5 and 0.5 were included in the numerical system of grading. The 4.5 was awarded only for exceptionally high performance.

Prior to Fall 1969: X-Condition – Until removed and a grade reported, the course was considered to be a deficiency and was included in grade-point averages as a grade of 0.0 under the numerical system. The X-Condition had no effect on the grade-point average if enrollment was on the CR-NC system.

Past Grade-Point Systems

Fall 1968 to Winter 1972: Grades of 4.5 were included in computing grade-point averages only up to a point where the term or cumulative grade-point averages reached 4.00. Thus, the term grade-point average and the cumulative grade-point average were limited to 4.00.
