Thanks for calling in Reda. I'm glad we were able to discuss the billing and the deposit this morning. I have made a note that we would be willing to lower deposit amount to 2x average billings for the past 12 mos, for a deposit amount of \$11,400.00 and that you'll be taking care of getting a bond issued or making payments. I'll follow up with you in a few days for status on the surety bond.

Red I have been out of the office since Thursday. I have meetings this morning and will call you today. Just so you know I have been "following-up" with Redacted in regards to this issue.

Good morning Redact  
I have left numerous messages for you at the office this week, but have been unable to get through to you. Please call me at Redacted as soon as possible so that we can set up payment arrangements for this deposit and avoid any adverse credit action. Thank you very much.

Redac I left a message for you yesterday, but wanted to touch base with you as soon as possible. We can make payments arrangements for the deposit. Would you like to split that into 3 months, due on 6/15, 7/15, and 8/15?
