Sure. I don't know what this is. If it can wait a week, I'm back Monday the 21st.

I know. It was signed by Redacte. I'm sure it is the work of ED and the ALJ.

It says that we need to file a PFM on the PV correction issue. I had just asked Andy and he said that Paul was out of office and they would deal with it when he returned. I already have calls in to him. It was only sent to us and not to service list. It does direct us to send but we need to get more information first.
