All,

Thanks for today's meeting. I know that a lot of work went into implementing Energy Division's request to reformat the scope of the monthly contract manager meeting. I found it very helpful to have Meredith's, Gary's and Sandy's input and perspective to complement the contract folks expertise. Let me know if you have any questions about the feedback you heard today, and I will follow up with additional thoughts as promised. Otherwise, I look forward to the next meeting (or call).

Niki is cc'd here so you have each other's contract information.

Regards,

Sean
