Subject: Reporting Requirements Meetings

Hi,  
George!

On behalf of the utilities, we thank you for taking time to sit with all our teams to discuss moving forward with the 2010-2012 reporting requirements. As we are committed to working together to develop the requirements and templates, we would like to schedule follow-up calls/meetings in the upcoming weeks to continue the momentum we've created. We would appreciate commenting or adding clarifications to the minutes you graciously took to ensure we are all on the same page on the issues. Could you please provide them to us no later than tomorrow?

In addition, we would like to offer up templates to modify the monthly/quarterly reports, fund shifting templates, and subsequently, the annual reports. We expect to provide you our recommendations by next Wednesday (6/23).

We also want to set up a schedule for regular weekly calls by next week to continue our discussions, if you agree.

We look forward to working with you in the next few weeks to finalize the quarterly reports.

Athena
