Subject: RE: Changes to Supplemental AL

Hi Jennifer,

Thanks for catching our typos and for PIP item 2 below: We agreed to revise the AL to add "outreach activities" to the discussion points in the quarterly meetings. Specifically, the AL will read:

"PG&E will schedule a meeting with Energy Division within 10 business days of the beginning of each quarter to discuss past and upcoming program milestones, the ratio of institutional to commercial borrowers, loan processing time by institutional and commercial borrowers, defaults, and **outreach activities**. In advance of each meeting PG&E will prepare a document that summarizes quarterly developments in these areas. Quarterly meetings will take place throughout the launch of on-/off-bill financing or until the point when there is no longer off-bill financing, whichever is later, and then held on an as-needed basis.:

Also, for the filing today, we will accept all the changes to the AL, tariffs and contract and show the revisions to the PIP in redline.

Subject: Changes to Supplemental AL

[Redacted] and Shilpa,

Thanks for giving me the opportunity to review the draft Supplemental Advice Letter that will be submitted today.

So that we're all on the same page, here are some quick notes about the changes we discussed on the phone last night and this morning.

PIP

1. Page 3. Final bullet concerning defaults. Please change the text from "within nine calendar days" to words to the effect of "within +/- five calendar days."
2. Page 5. Projected Program Launch Activities Table. #2.2 Please incorporate plans to communicate the OBF program to customers, vendors and contractors - and not just rely on

the existing channels of Government Partnerships and Commercial programs. ****Please send me sample text and get my buy-in PRIOR to sending out the Supplemental AL**.**

3. Page 6. Projected Program Launch Activities Table. #6.1-6.5 Please delete the "2011:Q3" and replace it with "2011:Q2" for 6.1 through 6.5, and continue to list them as "Ongoing" for 2012.

Also, there are two typos:

1. Advice Letter, page 1. "This filing is meant to supersedes..." This should be "supersede."
2. Advice Letter page 3, Table 1. There's an extra " at the end of the Commercial Loan Term.

Thanks for all of your efforts to coordinate on this.

Jennifer
