Subject: Teleconf to discuss Comr Simon's Tour of PG&E trading operations on July 13

Hi Karen.

Pls hold the June 3, 3:30pm, for this teleconf to discuss Comr Simon's Tour of PG&E schedule for July 13. Bill Stock asked me to put it back on calendar; and since we already know that you are available on the 3rd of June, he wants to have it then. I will provide the call-in number when I resend the appointment tomorrow.
