Is it w/ Comr Simon or just advisor(s)? I haven't not seen any 3-day Notice of Grant Ex parte filed on

this, if the meeting is w/ Comr Simon? and when is the meeting to take place?

Hello, hope all is well.

Q: has there been meeting request(s) submitted on A.09-05-026 (which is on the 6/24/10 CPUC Agenda Mtng, Item 22) by other parties to the proceeding, and has been granted by either your Commissioner or Advisor to your Commissioner? Please let me know. PG&E may want to file an equal time meeting request on the same subject.

Thank you.
