Subject: RE: Smart Meter update?

we look forward to it, because we keep hearing stories that localities are asking to stop the deployment, so the problem is not going away.

Hi Marzia - I'm out of the office this afternoon, but will provide you an update tomorrow. Thanks.

Kate

**Subject:** Smart Meter update?

Hi Kate,

what's going on with the smart meter outreach efforts. the last time we communicated you mentioned that PG&E was gonna expand and increase its efforts beginning June. please update us.

regards,  
marzia
