Can you call slightly earlier, like 11:15 or 11:20? I can get Frank to join us then, but he has a QF call at 11:30.

time in the late morning to chat for 10 minutes ?. Steve Larson has communicated a proposal to delay the on line date of Oakley by one year including the filing of a PFM for approval. I don't want to go on another failed escapade that I have to explain to management unless this has legs. If it isn't a sure thing, I'm not inclined to do that.
