Subject: RE: Smart Mater Messaging

Absolutely. And thanks Paul. Redacted rarely gets positive feedback for his yeoman's work in this area and it is much appreciated.

Subject: Smart Mater Messaging

Your spokesperson

Redacted is doing a nice job on smart meters -- he's quoted a lot in our clips this morning. Any chance I could have him meet with the people at the PUC who are working on our messaging on the issue? We're still struggling with RF/EMF especially.
