Mark thx-- while you were gone the ALJ set 6/16 as the last day of hearings. Do you think we should schedule some time for the following week so we can help move this along? Any ideas you have would be appreciated. It will probably be me and Amrit from PGE, until Patrick and Bruce are free (though i'm hopeful that we can reach an agreement and they can join us).

I've been sitting in the hearings on and off-- gives me a true appreciation for the process.

Thx
Jane

Ps you are probably still in a good mood since you've just got back!

Hi Jane - I don't think that we will be able to get anything back to PG&E until after the hearings. The parties are so immersed in the hearings that there isn't really any time to pull everyone together in order to prepare a response. I am hopeful that once hearings conclude that we will be able to meet with TURN and Aglet and formulate a counter-offer.

Welcome back Mark -- any word about when we'll get a response to our settlement offer? Just planning for some scheduling issues on our side.

Thx
Jane
