Great. We are thinking also about schedule and if we need to ask for any adjustment to it. We can get there whenever you have time.

Laura is out of the office this afternoon. I haven't spoken with her yet since I was in a meeting the entire afternoon yesterday. I'll try to speak with her first thing tomorrow morning.

Mark.

Patrick was trying to set up a brief meeting with you and Laura this afternoon if possible--at your convenience.

I'm in the city today and if your schedule works we can be there anytime.

Thx
