Re: Report on the Coordination Between Low Income Energy
Efficiency and Energy Efficiency

Dear Ms. Fitch:

CPUC Decision 09-09-047 at pages 305-307 directed the utilities to provide a report to the Energy Division detailing the coordination efforts between Low Income Energy Efficiency and Energy Efficiency Programs. Pursuant to that decision, Southern California Edison Company (SCE) submits its report on the Coordination Between Low Income Energy Efficiency and Energy Efficiency Programs.

Please feel free to contact John Fasana at 626-633-3027 or me if you have any questions.

Very truly yours,

Larry R. Cope
