Sandy/Joy,

Per D.09-09-047 (p. 306-3007), the IOUs are required to submit this report by July 1, 2010. PG&E and Sempra are not in compliance. We look forward to hearing back on your timeline for complying with the decision.

(LIEE) and Energy Efficiency (EE) Programs

Simon/Jeanne,

I just saw this report submitted by SCE to the service list and realized that PG&E did not have this report on its radar screen. I just want to let you know that PG&E will not be submitting its report today and will need to discuss the requirement with the LIEE/EE team to determine when

we can produce the report.
