Subject: Petition For Modification Issues

Simon & Jeanne,

Pursuant to Energy Division's most recent direction, SCE is developing a Petition For Modification to address several implementation issues around the 2010-2012 portfolios. Attached are the key issues we plan to address; we expect to file this PFM by the end of this month. Please let us know if you have any questions or would like to discuss this further.

Thanks,

(See attached file: Petition For Modification Issues-Draft 7.19.10.doc)
