Subject: PG&E Gas AMI Status

Hi  
Sid.

In late July  
Commissioner Grueneich will be on a NARUC panel that is covering gas AMI.  
She would like to be able to provide the latest on PG&E's gas AMI  
experience.

Are you the right  
Reg person? If not, could you pass the message the appropriate PG&E  
staff?

We'd like to know  
how many gas smart meters have been deployed so far, how the new meters have  
affected the customers experience, and what benefits the utility is getting from  
the meters. We'll be providing comparable updates for SDG&E and  
SCG.

Thanks.

Matthew
