Subject: Paper: S. Cal Edison Pump Efficiency program

Good afternoon.

Yesterday, you requested a reference to the S. California Edison wire-to-water efficiency test results included in Mark's powerpoint presentation. Here is a copy of the article that discusses the program and from which I quoted. See Table 5.

(See attached file: S Ca Edison-Report- 28000 pump tests.pdf)

I will see you tomorrow morning at Visionaire.

Best regards,

Hal Reed, P.E.
