Subject: Meeting request with Commissioner Bohn & Energy Advisors

Hi Ernie,

I hope you are well -- I haven't seen you the last couple of times I've been on the 5th floor at the Commission. I'm attaching a meeting request to meet with your boss next week, if possible. The Commissioner has already accepted an equal time meeting with other parties in these cases and so PG&E is just asking for equal time here. Let me know if this date works for the Commissioner; if not, give me a call and hopefully we can find another time that works soon. Hope to talk with you soon!

Be well,
Trina
