Subject: RE: Meeting request with Commissioner Bohn & Energy Advisors

Actually I am working on leaving state employment. I put my resume into two agencies, Johnson's staffing and Pathways, plus I have a couple of friends looking in their firms. One is Kecker and Van Nest, they are having problems with a lady there and she has been placed on probation for something she did, very unprofessional, and from what I am hearing she may not last the entire 60 day.

I miss you too, I have been having stomach issues again, the stress level here has doubled for me since I have had to deal with a certain advisor and chief of staff that don't want to give me the info to do my job.

Sorry for venting, I will get on this request pronto, as soon as Robert K gets in I will show him remind him about equal time and get back to you to schedule something.

Hope all is going well for you, your hubby, and wonderful little boy.

Hi Ernie,
I hope
you are well -- I haven't seen you the last couple of times I've been on the 5th
floor at the Commission. I'm attaching a meeting request to meet with your
boss next week, if possible. The Commissioner has already accepted an
equal time meeting with other parties in these cases and so PG&E is just
asking for equal time here. Let me know if this date works for the
Commissioner; if not, give me a call and hopefully we can find another time that
works soon. Hope to talk with you soon!

Be well,
Trina
