**Subject:** PG&E Advice Letter 3129-G

PG&E filed AL 3129-G on June 24, 2010, requesting an effective date of July 1, 2010. SPURR protested AL 3129-G on June 25, 2010 requesting that the refund be amortized over 12 months rather than 6 months and that action on the AL be expedited. PG&E replied to the protest procedurally requesting that the full protest period be allowed.

We are suspending PG&E AL 3129-G effective today, and request that PG&E suspend all refunds subject to this the Advice Letter until this issue is resolved. The full protest period will be allowed to July 14, 2010.

Please inform us as to whether refunds under AL 3129-G have been started, and confirm that they are suspended effective today until resolution of this issue. thanks.
