Subject: RE: Thank You!!!!

Dear Samahan Scholarship Committee,

Thank you all for your dedication and support in the past several months! It was a great evening to

delight our guests with our Samahan hospitality. Our scholarship program is one of our signature events- as it positively brings together our members and our diverse community. Your efforts truly represent PG&E through community service and involvement.

Gina, Yvette, Rebeka, and Summer,

As our 2010 Scholarship Chairs, you've done a remarkable job inspiring our committee members to deliver a great program from beginning to end. Thank you so much.

Bill, Joyce and Sue,

Thank you again for joining us, D&I Team! Bill, many of us now know how things were for you "back in the day" :)

Tom and Des,

Thank you for your support of Samahan as our executive sponsors! We look forward to Samahan's growth.

Jesse and Stephanie,

Thank you for attending and representing our advisors!

Jodi, Buff and Go Conference Center,

Thank you for your facility and tech support! Great to know we can always count on you!

Last but not least, thank you 2010 Samahan Executive Board Members for your ongoing to support to help Samahan progress- making events like last night possible.

Subject: Thank You!!!!

To Our Dear Scholarship Committee -

Thank you! Thank you! Thank you! We can't thank you guys enough for volunteering your time and helping with the Scholarship Selection Process and for yesterday's event; which btw - WAS A SUCCESS!!! It was great to see how our hard work paid off when we met our recipients yesterday. From the smiles on our students faces to the proud looks on their parents and the pride and fun from the Executive Officers -- it was definitely a rewarding experience!

We want to show our appreciation by treating you, the scholarship committee, to lunch. Date and Place has yet to be determined, but we'll definitely keep you posted! (Don't worry -- It won't be Tsleogs. Haha).

If you would like to see a copy of the presentation, it is available here:

<http://wss/sites/EmpAssoc/FilipinoEmployeeAssociation/FEA%20Scholarship%20Program/2010>

We will also be posting some pictures from the ceremony as soon as we can.

Logging Volunteer Hours

Since the time spent reading, evaluating, and scoring the scholarship recipients as well as planning the scholarship events is volunteer time, we encourage all those who assist in this process to log their volunteer time on the PG&E volunteer website. The Volunteer Department has chosen an arbitrary date to streamline the process of logging the volunteer time, which is **September 1, 2010**. Each ERG will be listed on the volunteer website under September 1. We encourage all those who participated in the scholarship process and event/event planning to log their volunteer hours. Samahan is not yet listed under September 1 in the Volunteer Website. We will let you know when you can start logging your hours.

Also, don't forget to include this in your mid-year review!

Again... Thank you thank you thank so much! We had an awesome committee -- YOU GUYS ARE AWESOME!

Sincerely,

Your Scholarship Chairs
