Jason --

Thursday after the CPUC meeting sounds great, let's do it.

Redacted and Jovita are working on a meeting time -- Helen Burt and Felecia Lokey are planning on attending from our end.

Great, please set this up with Jovie Chan, who has more insight into Comm'r Ryan's calendar than I do. Also I have attached a correspondence I started with Redacted before we had a chance to meet.

Love to have coffee, maybe Thursday after the Commission meeting?

Jason --

Sorry for my slow response. At the meeting on Wednesday, we talked about setting up a meeting with Commissioner Ryan the week after next to talk about our outreach and recovery efforts around SmartMeter. We would like to bring Felecia Lokey and perhaps one other person for that meeting. Can you suggest some days and times where that might work for you all?

Also, if you're available next week, let's grab a coffee and meet properly.

Thanks!
