David,

That's fine. Will 11:30 work?

Sean

Sean:

I just left you a voicemail on this -- can we push this call back to Wednesday at 11AM? The problem we have run into is our transactor has been on vacation all this week -- he will need a little time to review the comments and discuss with NextEra in order to make this a meaningful conversation. Please let us know if that will work from your end.

Thanks,  
David
