All

Attached is Commercial Energy's presentation on our alternative Resource Compliance method.

Thanks for any feedback.

Possibly this is a straw man for our Working Group?

Subject: R.07-05-025, Logistics for workshop Monday July 12 and Tuesday July 13

To Parties in R.07-05-025,

Here are some further logistical and “process” items for our workshop this coming Monday and Tuesday:

1 ***Phone***: yes, we will have dial-in access; however, as you all know, the acoustics can be spotty for folks on the phone. The auditorium is wired for sound, so that should help.

The call-in number is 877-930-0524, the participant code is 9183912

2 ***Presentations***: a laptop will be available if you wish to speak and will have slides. Please be sure to bring your presentation on a flash drive. Also, we will need to e-mail those presentations to the folks on the phone, so they will effectively go to the entire service list

3 ***Discussion “format”***: ALJ Pulsifer has arranged to have a court reporter present. Therefore, we would like to use an approach where we discuss each topic “off the record”, then bring the reporter back and have one or more parties summarize the outcome of the discussion “on the record”. This approach has worked well in the past, but it does depend on parties’ willingness to step up and provide the summaries, so prepare yourselves to do that. The end result will be a better record for the ALJ and for parties.

Thank you—see you all on Monday.
