One of the rare days when Brian gets more fire and brimstone AWAY
from the PUC!

Erik, can we talk later today? I just want to know the
current state of play in the proceeding, for the purpose of figuring out if I
need to weigh in with ALJ/you/Calpine to expedite.
Thx.

Paul - Erik Jacobson is handling it.
Trina handed it off to him but I believe she is out of the office I like me. My
wife and I are hiking in Zion National Park this week. It is 106 degrees !

Can I talk today
to whoever you've got doing RCEC? I understand there's an amended app
coming in or something; I need to get a handle on timing here.

Thx.
