Subject: RE: Affiliate Advice Letter Filings

Jack,

Attached is a draft supplemental advice letter that responds to the request for more information in the rejection letter from Julie Fitch dated July 7, 2010. It contains significantly more detail than our original advice filing (submitted on February 11, 2010) about PG&E Corporation's investment with SolarCity and our compliance with the affiliate rules. More recently, we submitted a separate advice filing on July 23, 2010 that contains the same type of information regarding PG&E Corporation's investment with SunRun. We are hoping to discuss both the attached draft and the 7/23 SunRun advice filing at our meeting on August 6 to ensure we have adequately addressed Energy Division's request for information and any remaining affiliate rule compliance concerns that may exist.

I look forward to seeing you on August 6. Feel free to contact me in the meantime if you have any questions or would like to discuss.

Thanks,

Erik
