

DA OIR Workshop  
DA Process Improvement Issues

---

July 12-13, 2010

---

# IOUs' Proposed Topics

---

## Updating of Customer Forms & Affidavits

### \* Affidavits No Longer Needed

- Original DA Declaration
- DA Load Growth Affidavit

### \* Assignment Affidavit

- Propose to add section for current customer signature
- Propose to add deadlines for transactions

### \* Relocation Affidavit

- Review to ensure that rules are still applicable in current environment
  - Are rules fair & equitable for all customers?
- Propose to add deadlines for transactions

# IOUs' Proposed Topics

---

## DA Metering, Billing & DASR Rules

- \* Metering threshold
  - Should this be eliminated?
- \* Should metering services continue to be unbundled when smart meter deployment is complete?
- \* Can electronic communication be used for DASR notifications to customers?

## Updating of DA Service Fees

- \* Methods of collecting data to support service fees

# IOUs' Proposed Topics

---

## Proposed Schedule

- \* Report should be due no sooner than November 2010 to allow sufficient time for stakeholders to meet, discuss issues, identify areas of consensus and non-consensus, and generate Report
