Carol - I thought Mike was out of town. If he isn't, I suppose he could introduce Peter instead of John.

Brian, Tom:

We have on Peter's calendar a hold for him to have lunch with President Peevey on August 12, prior to the Thought Leaders Forum.

Tom, I believe you mentioned last week that Commissioner Bohn is going to be the host for the forum because Mike will be out of town. Should we take the luncheon with Mike off Peter's calendar for Thursday, August 12? Should we think about Peter having lunch on this date with another commissioner?
