They were not competitive with other deals so their proposal was put on hold. We have not as of yet eliminated the deal as a possibility, but we are not in active negotiations at this time.

Are you back? Welcome back if you are! I haven't seen any Utah photos on Facebook.

Can I check on state of play between PG&E and the King Solar Project? The developer was up here on something else and I agreed to look into status on it. They say they have a proposal in to you guys. Thx, Brian.
