Re: Substitute Sheet for SDG&E Advice Letter 2183-E

Please find enclosed the original and five copies of SDG&E's substitute sheet for Advice Letter 2183-E, *Revisions to CPPSMA to Establish the Dynamic Pricing Memorandum Account (DPMA)*. At the request of the Energy Division, these substitute sheets are being submitted to change the tier designation under the Effective Date on Page 2 of the Advice Letter from Tier 2 to Tier 3. Also revised is the Summary Sheet to indicate a resolution is required.

An asterisk has been reflected in the upper right hand corner of each sheet to indicate that these are substitute sheets. Please replace the enclosed sheets in the master Advice Letter 2183-E.

The attached substitute sheets are being served on all parties that received SDG&E Advice Letter 2183-E.

Sincerely,

A handwritten signature in cursive script that reads "Aurora Carrillo".

Subsequent to the establishment of the CPPSMA, SDG&E filed on July 6, 2010 an application titled "Application of SDG&E for approval of its proposals for Dynamic Pricing and Recovery of Incremental Expenditures Required for Implementation". The application proposes TimeOfDay and PeakShift pricing options for both small nonresidential and residential customers.

Consequently, SDG&E has modified the CPPSMA to include costs required to implement dynamic pricing for both small nonresidential and residential customers. The account has been appropriately renamed the Dynamic Pricing Memorandum Account (DPMA).
