Subject: Updated PIPs

Hello all, would you be able to tell me if the 2010-2012 PIPs for PGE and Sempra have already been updated, from what is listed in the attached spreadsheet?

I'm asking because I recently heard there are updated SCE PIPs online.

If there are updated PIPs, can you send me a link where they are located.

I want to get all the original PIPs in one place, so they can be inventories and updated accordingly.
