Do not quote me on the economics. Sdg&e is better than it looks, but not enough.

We will be using Siebert on our upcoming deal as a joint bookrunner. Keep that on the QT.

I knew they had wmbve comangers. The subscribed economics for wmdve on sdg&e was 2.8%. Unacceptable.

They only included minority firms in a supporting role (which is called a co-manager). What I said was that they did not include minority firms as bookrunners, which are the banks that lead the transaction.

I thought you told me no minority involvement. They managed but did not do bookrunning ?
