no harm done, in my view....plus, the image of Dan having apoplexy brings a smile to my face!

No where. Los Esteros and GWF need to be approved by a resolution. You will both get that. The fact that there is a protest doesn't change that. Both projects will get approved as filed. I can almost guarantee it. I can't guarantee because I don't vote but let me assure you this isn't a big deal even though Dan R is going apoplectic.
