Subject: A0712009 - No Ruling Will Issue Today on CCSF Request for Moratorium on
Smart Meter Installations

Parties to A.07-12-009:

The Commission's report on Smart Meters -- known as the
Structure Report -- will become public at the Commission meeting this Thursday
(it is agenda item 40).

Because the Commission has committed to this release
date and because the release date is so imminent, it makes little sense to
issue a ruling in this proceeding on the question of a temporary moratorium on
the installation of Smart Meters today (as originally planned).

Following the release of the Commission's report, a
ruling in this proceeding will follow addressing the request for a moratorium
and setting the next steps concerning the petition to modify filed by the City
and County of San Francisco.
