PG&E ARRA Update | August 2010

CONFIDENTIAL

Hi Susannah:

Attached is the August ARRA update. As you requested, changes since July are in light green, and projects which are on the

Governor's Fast Track/Watch list are in yellow. No additional projects pursuing federal funding were filed with the CPUC last month. Also, we think it might be worthwhile to remove both Vantage and Manzana from the September update, as neither of those projects are pursuing federal funding.

Thanks,
