Subject: Data Request

Sean,

Please let me know if these questions capture our discussion.

Thanks,
Meredith

- Please provide any information that you have concerning the accuracy of the \$36.4 million incremental cost of dry cooling referenced in the comments of TURN/CUE.
- Please provide any information that you have concerning the accuracy of the \$43.3 million overpayment referenced in the comments of TURN/CUE.
- Please compare the \$36.4 million to the information in the Black & Veatch report.
