Subject: Pending PFM of D.09-09-047 - Inclusion of proposed changes to whole-house
retrofit targets

Hi
All,

Just checking to
make sure that changing the whole-house retrofit savings targets from 20% to 10%
is still going to be included in the pending PFM, as we discussed in a previous
ED/IOU EE mgmt call. We noticed after the fact from our last call that it
was missing from the list of 7 issues you outlined.

Please
confirm. Thanks!

Best,
