Subject: RE: CSI RD&D and RFP

All:

Attached are reference materials for our conference call tomorrow. First page is the agenda for the meeting held at Itron on July 22nd where there are links to presentations on each project. Those links are marked **PDF** next to the topic. Most of the time of the RD&D portion of our agenda will be spend on

Integration of Energy Efficiency, Demand Response, Energy Storage and PV

So, respective PDFs - BEopt and IEP - will be discussed.

Talk to you tomorrow. Thanks.
